Of the 38 members whose dues were due in January, 23 are postal members. They were sent postcard reminder in February. *ATSOTC* mailing label did not include renewal date as has been our practice, so I am sending a second postcard reminder soon. Interestingly, 18 of the “at risk” members joined just last year.

Renewal postcards for July due date will be sent a couple of weeks after the next *ATSOTC*, which hopefully will have member renewal dates printed with the addresses.
